OFFICE
OF THE
Springfield Directory,
135 Dwight Street,
THE PRICE & LEE CO., Publishers.

Directories of all the Principal Cities on file for the accommodation of our Patrons and the Public.

SPRINGFIELD STREET DIRECTORY.

The Street Directory gives the location of each street, and shows what other streets, avenues, or places run from or across it, with the number at which they intersect.

From this list the location of any number on a street can be easily ascertained. As, for instance, wishing to know at what part of Main street No. 310 comes, turn to Main street, and you find that Worthington street intersects at 306, right side, and Bridge street at No. 340, showing that No. 310 comes on the right side of Main street between Worthington and Bridge.

Those who buy without looking at the classified list of those who sell do themselves great injustice. The classified lists in the Business Directory form the best Buyers' Guide on earth. 6% for twenty-one years. A time-tried, panic-tested 6% Bond Investment based on the ownership of New York Real Estate.

For twenty-one years the American Real Estate Company has operated with uninterrupted success in the New York real estate field. For twenty-one years this Company has sold its obligations direct to the public and earned and paid 6% to thousands of investors the country over, without one dollar lost or gone astray. For twenty-one years the securities of this Company have never shrunk a dollar in value and every dollar due in principal and interest—more than $3,000,000—has been paid *on the instant.* During these twenty-one years panics have come and panics have gone, but the American Real Estate Company is safer and stronger than ever.

That was because Humpty Dumpty was made of a non-metallic substance. If he had been metal we could have welded him up as good as ever. We can also repair your broken and worn metal parts from any of the following list with our Oxy-Acetylene flame, making them just as good as new at a relatively small cost.

It will do no harm to ask us.
